The Mysteries of An Actually Scary Household

YOU'VE
LOST.

THAT'S
RIGHT.

YOU
LOST.

1000

These personal versions of nothing looks on the page,
 But this book is really a "nothing" book.
 Another world, is a mystery telling of the past of the Nothing household.
 When an unquarrel world has created a laugh.

Here.

COULD YOU FIND SOMEONE WITH A BIT MORE POWER?

AND IT'D BE nice if it was a woman... just saying.

I need to wish that doesn't take it off right now!

My Such strength!

COULD YOU TELL ME DETAILS LIKE THAT BEFORE?

Yeah.

A WOMAN WITH POWER, RIGHT?

longer...

You no...

There was some work done during the previous director's time, but it is about 100 years old.

So people have to come to the this place.

After that, people can either choose

That is true.

This estate has certainly kept the years.

Here. So how long's it been since it was built?

and whether they're the same.

In the end, the things of this world slowly decay.

IT'S QUITE LIVELY HERE.

FOUND
IT.

I'VE
ALREADY

That's right.

There is no light here,
from which you do not value

After word

After forcing an ending, it ends with the gag
 but, I really think this was the other part of the master's promise—
 Since he has a long life and beloved child

I made the birthday of making a ridiculous old man
 but since he had the power to defeat the ultimate vampire
 I thought he couldn't be normal! Which is why he turned out that way...

By the way, I read Stoker's Dracula in middle school
 so I don't remember any of it. Maybe I should read it... considering laughs

Well then, thank you for reading about the end!
 Let's meet again!
